INDEX TO VOLUME NINETY-FIVE

July, 1942—June, 1943

—A—

Abdomino-thoracic gunshot injuries, by Frank L. Loria 105
Adriani, John—The pharmacologic basis of the selection of anesthesia 266
Agee, Owen F.—The use of the darkfield microscope for diagnosis of generalized secondary lesions of syphilis 329
Alldredge, Rufus H.—Fractures about the ankle joint 414
Allergy, food, the modern management of, by Morris Shushan 286
Anderson, Gilbert C.—Brain tumors 369
Anesthesia in heart disease, by Willard R. Wirth 273
Anesthesia in obstetrics, by Merrill C. Beck 278
Anesthesia, symposium on, see Adriani, John, Wirth, Willard R., Beck, Merrill C. 266
Anesthesia, the pharmacologic basis of the selection of, by John Adriani 266
Ankle joint, fractures about the, by Rufus H. Alldredge 414
Annual meeting 445
Arnell, Rupert E.—Protein malnutrition in pregnancy (Arnell, Guerriero, Goldman, Huckeby, Lutz) 114
Aviation, medicine in, by James E. Fulghum 174

—B—

Bamber, J. M.—Some of the things the general practitioner should know about the electrocardiogram 501
Barber, D. B.—The use of sulfonamides in acute infections 178
Bargen, J. Arnold—Chemotherapy in the digestive tract 219
Baskett, Roy F.—The use of the various insulins in the treatment of diabetes mellitus 428
Bayon, P. J.—(Joint author), see LeJeune, F. E. 132
Beck, Merrill C.—Anesthesia in obstetrics 278
Blood substitutes, clinical applications of recent knowledge concerning, by Urban Maes and Harry A. Davis 259
Volume in common clinical conditions, by George R. Meneely 33
Blum, Henry N.—The importance of early diagnosis in glaucoma 127
Book Reviews 48, 96, 152, 206, 256, 304, 355, 396, 442, 431, 528, 573
Bronchiectasis, the rational management of, by Charles R. Gowen 311
Browne, Donovan C.—Duodenal diverticulitis, acute and chronic (Browne, McHardy) 553
(Joint author), see McHardy, Gordon 472
Bruno, Francis E.—A clinico-pathologic study of rheumatic fever and rheumatic heart disease in the white and negro races (Bruno, Engelhardt) 234
The Cruveilhier-Baumgarten Syndrome 339
(Joint author) see Engelhardt, Hugo T. 137

—C—

Cancer of the larynx, by F. E. LeJeune and P. J. Bayon 132
Carcinoma of the cervix uteri, spread and metastasis, by Bjarne Pearson and Manuel Garcia 215
Of the colon and rectum, 228 cases from the Charity Hospital of Louisiana at New Orleans from 1935 to 1941, by Samuel A. Romano and William Trachtenberg 455
Cephalin cholesterol flocculation as a liver function test, by Edwin H. Lawson and Hugo T. Engelhardt 60
Cerebral tumors, psychiatric aspects of, by H. Randolph Unsworth 363
Cervix uteri, spread and metastasis in carcinoma of the, by Bjarne Pearson and Manuel Garcia 215
Charbonnet, L. Sidney, Jr.—A physiologic concept of tissue resistance in the surgical diabetic (Charbonnet, Schroeder) 187
Chemical warfare agents, some medical aspects, by Edgar Hull 499
Vesicant, by J. D. Rives 493
Chemotherapy in the digestive tract, by J. Arnold Bargen 219
Chest, war wounds, by Harlon W. Harrison 315
Children, the defense of, by Emma H. B. Wharton 85

Clinico-pathologic conferences in non-teaching private hospitals, by J. S. Couret 291
Collins, Conrad G.—(Joint author), see Nelson, Edward W. 375
Surgical treatment of pelvic thrombophlebitis, ligation of inferior vena cava and ovarian veins (Collins, Jones, Nelson) 324
Communicable diseases, prevention under war conditions with especial reference to immunization, by G. W. McCoy 79
Coronary occlusion, the future of the patient, by Charles T. Stone 305
Couret, J. S.—Clinico-pathologic conferences in non-teaching private hospitals 291
Cutaneous manifestations of systemic disorders, by Adolph B. Loveman 446

—D—

Dalton, Orien E.—Artificial pneumothorax in general practice (Dalton, Landry, Voorhies) 22
Danna, Joseph A.—Ether as the anesthetic of choice in prolonged operations 99
Davis, Harry A.—(Joint author), see Maes, Urban 259
DeBakey, Michael—Primary thrombosis of the axillary vein (DeBakey, Ochsner, Smith) 62
Dental deficiencies and rehabilitation of selectees, by Leo J. Schoeny 171
Diabetes mellitus in the South, a clinico-pathological study, by Hugo T. Engelhardt and Francis E. Bruno 137
The use of the various insulins in the treatment, by Roy F. Baskett 428
Diabetic, surgical, a physiologic concept of tissue resistance, by L. Sidney Charbonnet, Jr. and George F. Schroeder 187
Digestive tract, chemotherapy, by J. Arnold Bargen 219
Diverticulitis, duodenal, acute and chronic, by Donovan C. Browne and Gordon McHardy 553
Duodenal diverticulitis, acute and chronic, by Donovan C. Browne and Gordon McHardy 553
Durand, James A.—The emblems of medicine 387
Dysentery, chronic bacillary, the increasing incidence and complications, by Daniel N. Silverman and Andrew V. Friedrichs 401

—E—

Echols, Dean H.—Laminectomy for spinal cord tumor and other diseases, analysis of 151 consecutive cases 373
Eddy, James H., Jr.—Some toxic reaction of common explosives 511
Editorials 40, 89 141, 198, 249, 296, 344, 389, 433, 478, 519, 561
Electrocardiogram, some of the things the general practitioner should know, by J. M. Bamber 501
Engelhardt, Hugo T.—A clinico-pathological study of diabetes mellitus in the South (Engelhardt, Bruno) 137
(Joint author), see Bruno, Francis E. 234
(Joint author), see Lawson, Edwin H. 60
Epidemics, potential, in Louisiana, by Ernest Carroll Faust 77
Ether as the anesthetic of choice in prolonged operations, by Joseph A. Danna 99
Explosives, common, some toxic reactions, by James H. Eddy, Jr. 511

—E—

Faust, Ernest Carroll—Potential epidemics in Louisiana 77
Fever, rheumatic, and rheumatic heart disease in the white and negro races, a clinico-pathologic study, by Francis E. Bruno and Hugo T. Engelhardt 234
Fractures about the ankle joint, by Rufus H. Alldredge 414
Friedrichs, Andrew V.—(Joint author), see Silverman, Daniel N. 401
Fulghum, James E.—Medicine in aviation 174

—G—

Garcia, Manuel—(Joint author), see Pearson, Bjarne 215
Gastric resection in a single service at the Charity Hospital, results, by L. H. Strug 464
Glaucoma, the importance of early diagnosis, by Henry N. Blum 127
Golden, Lewis A.—Diagnostic factors in cranial tumor 366
Goldman, Daniel W.—(Joint author), see Arnell, Rupert E. 114
Golz, Harold H.—(Joint author), see Oppenheim, A. 332

Gowen, Charles R.—The rational management of bronchiectasis 311
Guerriero, William F.—(Joint author), see Arnell, Rupert E..... 114
Gunshot injuries, abdomino-thoracic, by Frank L. Loria 105

—H—

Hargrove, U. S.—Diagnosis and treatment of some common ailments of the female urinary tract 102
Harrison, Harlon W.—War wounds of the chest 315
Health protection of civilians in the present war, symposium, see Musser, J. H., O'Neill, John H., Faust, Ernest Carroll, McCoy, G. W., Wharton, Emma H. B..... 70
Heart disease, anesthesia, by Willard R. Wirth..... 273
Rheumatic, and rheumatic fever in the white and negro races, a clinico-pathologic study, by Francis E. Bruno and Hugo T. Engelhardt..... 234
Heart, successful suture of stab wound, by Donald B. Williams..... 470
Herring, J. S.—(Joint author), see Michaels, J. P. 37
Histaminase in the treatment of duodenal ulcer, by Gordon McHardy and Donovan Browne..... 472
History, medical, of Louisiana as taught in public schools, see comments, by Rudolph Matas..... 238
Hospital staff transactions and clinical meetings.....298, 564
Huckeby, Eleanor—(Joint author), see Arnell, Rupert E. 114
Hull, Edgar—Some medical aspects of chemical warfare agents 499
Hypogastric sympathectomy, by B. Bernard Weinstein 534

—I—

Industrial hygiene, the problem of, by J. G. Townsend 505
Infants, feeding, by Chester A. Stewart..... 225
Irwin, Emmett L.—Presidential address..... 531

—J—

Jones, J. R.—(Joint author), see Nelson, Edward W. 375
Jones, Jack R.—(Joint author), see Collins, Conrad G. 324
Joseph, Cheney—Typhus fever in Charity Hospital 53

—K—

King, E. L.—The use and abuse of posterior pituitary extract in obstetrics..... 450

—L—

Landry, Edwin L.—(Joint author), see Dalton, Orien E. 22
Larynx, cancer, by F. E. LeJeune and P. J. Bayon 132
Lawson, Edwin H.—Cephalin cholestrol flocculation as a liver function test (Lawson, Engelhardt) 60
Lehman, B. J.—Pool plasma bank as used by the L. S. U. Department of Obstetrics and Gynecology (Lehman, Suter)..... 12
LeJeune, F. E.—Cancer of the larynx (LeJeune, Bayon) 132
Ligation of inferior vena cava and ovarian veins for pelvic thrombophlebitis, by Conrad G. Collins, Jack R. Jones, and Edward W. Nelson 324
Lindsey, Douglas—Autoagglutination, cold agglutination, pseudoagglutination and the Rh factor: Factors of practical importance in the transfusion of blood..... 382
Liver function test, cephalin cholesterol flocculation, by Edwin H. Lawson and Hugo T. Engelhardt 60
Loria, Frank L.—Abdomino-thoracic gunshot injuries 105
Louisiana State Medical Society News——44, 92, 145, 202, 252, 300, 347, 393, 437, 482, 522, 567
Loveman, Adolph B.—Some cutaneous manifestations of systemic disorders..... 446
Lowe, Robert C.—Vitamin deficiency states in Louisiana 407
Lung, bagasse disease, by W. A. Sodeman and Roscoe L. Pullen..... 558
Lutz, Anna M.—(Joint author), see Arnell, Rupert E. 114

—M—

Maes, Urban—Clinical applications of recent knowledge concerning blood substitutes (Maes, Davis) 259
Matas, Rudolph—Some comments on the medical history of Louisiana as taught in the public schools 238
May, Clarence P.—Medicolegal relations of nervous and mental disorders 423
Medicine, the emblems, by James A. Durand 387
Medicolegal relations of nervous and mental disorders, by Clarence P. May 423
Meneely, George R.—Blood volume in some common clinical conditions 33
Meningitis caused by the higher fungi, by John E. Skogland 334
Michaels, J. P.—Postpartal hematomata of the vulva and vagina (Michaels, Herring) 37
Military medicine, symposium, see Rizzo, F. P., Schoeny, Leo J., Fulghum, James E. 169
Miller, Hilliard Eve—The management of retrodisplacements of the uterus with special reference to the indications for surgical therapy 15
Morel, Vera—Impressions of Venezuela 194
Mumps, the relationship between submaxillary gland involvement and the incidence of orchitis, by A. Oppenheim and Harold H. Golz 332
Musacchio, Frederick A.—The history of the modern public health movement 1
Musser, J. H.—Nutrition 70

—Mc—

McCoy, G. W.—Prevention of communicable diseases under war conditions with especial reference to immunization 79
McHardy, Gordon—(Joint author), see Browne, Donovan C. 553
Histaminase in the treatment of duodenal ulcer (McHardy, Browne) 472

—N—

Nelson, Edward W.—(Joint author), see Collins, Conrad G. 324
Pelvic thrombophlebitis, a study of the etiologic factors from a statistical standpoint (Nelson, Jones, Collins) 375
Nervous and mental disorders, medicolegal relations, by Clarence P. May 423
Newbill, Hugh Page—The pathology of tumors of the nervous system 357
Nutrition, by J. H. Musser 70

—O—

Obstetrics, anesthesia, by Merrill C. Beck 278
The use and abuse of posterior pituitary extract, by E. L. King 450
Ochsner, Alton—(Joint author), see DeBakey, Michael 62
O'Neill, John H.—Emergency water supply and sewage disposal 73
Oppenheim, A.—Mumps, the relationship between submaxillary gland involvement and the incidence of orchitis (Oppenheim, Golz) 332
Orleans Parish Medical Society Transactions 43, 91, 143, 201, 251, 299, 346, 392, 436, 481, 521, 566

—P—

Pearson, Bjarne—Spread and metastasis in carcinoma of the cervix uteri (Pearson, Garcia) 215
Pelvic thrombophlebitis, surgical treatment, by Conrad G. Collins, Jack R. Jones, and Edward W. Nelson 324
Pituitary extract in obstetrics, the use and abuse of posterior, by E. L. King 450
Plasma bank, pool, as used by the L. S. U. Department of Obstetrics and Gynecology, by B. J. Lehman and M. Suter 12
Platou, Erling S.—Human serum and plasma in diseases of children 547
Pneumothorax, artificial, in general practice, by Orien E. Dalton, Edwin L. Landry, and Henry C. Voorhies 22
Pregnancy, protein malnutrition, by Rupert E. Arnell, William F. Guerriero, Daniel W. Goldman, Eleanor Huckeby, and Anna M. Lutz 114
Presidential address, by Emmett L. Irwin 531

Protein malnutrition in pregnancy, by Rupert E. Arnell, William F. Guerriero, Daniel W. Goldman, Eleanor Huckeby, and Anna M. Lutz 114
Psychiatric aspects of cerebral tumors, by H. Randolph Unsworth 363
Public health movement, modern, the history, by Frederick A. Musacchio 1
Pullen, Roscoe L.—(Joint author), see Sodeman, W. A. 558

—R—

Respiratory tract, lower, sinusitis in diseases of the, by R. H. Riggs 475
Rh factor, autoagglutination, cold agglutination, pseudoagglutinations, by Douglas Lindsey 382
Rheumatic fever and rheumatic heart disease in the white and negro races, a clinico-pathologic study, by Francis E. Bruno and Hugo T. Engelhardt 234
Riggs, R. H.—Sinusitis in diseases of the lower respiratory tract 475
Rives, J. D.—Vesicant chemical warfare agents 493
Rizzo, F. P.—The medical profession and selective service in Louisiana 169
Roentgen diagnosis of acute intestinal obstruction, by M. D. Teitelbaum 157
Romano, Samuel A.—Carcinoma of the colon and rectum, 228 cases from the Charity Hospital of Louisiana at New Orleans from 1935 to 1941 (Romano, Trachtenberg) 455

—S—

Schoeny, Leo. J.—Dental deficiencies and rehabilitation of selectees 171
Schroeder, George F.—(Joint author), see Charbonnet, Jr., L. Sidney 187
Selective service in Louisiana, the medical profession, by F. P. Rizzo 169
Selective service work, experiences, by T. A. Watters and Walker Thompson 241
Serum, human, and plasma in diseases of children, by Erling S. Platon 547
Sewage disposal and water supply, emergency, by John H. O'Neill 73
Shushan, Morris—The modern management of food allergy 286
Silverman, Daniel N.—The increasing incidence and complications of chronic bacillary dysentery (Silverman, Friedrichs) 401
Sinusitis in diseases of the lower respiratory tract, by R. H. Riggs 475
Skogland, John E.—Meningitis caused by the higher fungi 334
Smith, Marvin C.—(Joint author), see DeBakey, Michael 62
Sodeman, W. A.—Bagasse disease of the lung (Sodeman, Pullen) 558
Stewart, Chester A.—Feeding infants 225
St. Martin, T. I.—The x-ray consultation 211
Stone, Charles T.—The future of the patient with coronary occlusion 305
Strug, L. H.—Results of gastric resection in a single service at the Charity Hospital 464
Sulfonamides in acute infections, the use of, by D. B. Barber 178
Suter, M.—(Joint author), see Lehman, B. J. 12
Sympathectomy, hypogastric, surgical anatomy of the superior hypogastric plexus, by B. Bernard Weinstein 534
Symposium on anesthesia, see Adriani, John, Wirth, Willard R., Beck, Merrill C. 266
Health protection of civilians in the present war, see Musser, J. H., O'Neill, John H., Faust, Ernest Carroll, McCoy, G. W., Wharton, Emma H. B. 70
Military medicine, see Rizzo, F. P., Schoeny, Leo. J., Fulghum, James E. 169
Tumors of central nervous system, see Newbill, Hugh Page, Unsworth, H. Randolph, Golden, Lewis A., Anderson, Gilbert C., Echols, Dean H. 357
Syndrome, the Cruveilhier-Baumgarten, by Francis E. Bruno 339
Syphilis, the use of the darkfield microscope for diagnosis of generalized secondary lesions, by Owen F. Agee 329

—T—

Teitelbaum, M. D.—The roentgen diagnosis of acute intestinal obstruction 157
Thompson, Walker—(Joint author), see Watters, T. A. 241
Thrombophlebitis, pelvic, a study of the etiologic factors from a statistical standpoint, by Edward W. Nelson, J. R. Jones, Conrad G. Collins 375
Surgical treatment, by Conrad G. Collins, Jack R. Jones, and Edward W. Nelson 324
Thrombosis, primary, of the axillary vein, by Michael DeBakey, Alton Ochsner, and Marvin C. Smith 62

Tooke, T. B.—(Joint author), see Drummond, W. F. 11
Townsend, J. G.—The problem of industrial hygiene 505
Trachtenberg, William—(Joint author), see Romano, Samuel A. 455
Tumor, cranial, diagnostic factors, by Lewis A. Golden 366
Spinal cord, laminectomy for, and other diseases, analysis of 151 consecutive cases, by Dean H. Echols 373
Tumors, brain, by Gilbert C. Anderson 369
Of central nervous system, symposium, see Newbill, Hugh Page, Unsworth, H. Randolph, Golden, Lewis A., Anderson, Gilbert C., Echols, Dean H. 357
Of the nervous system, the pathology, by Hugh Page Newbill 357
Psychiatric aspects of cerebral, by H. Randolph Unsworth 363
Typhus fever in Charity Hospital, by Cheney Joseph 53
In the Southern United States, epidemiology, by William R. Whitehouse 227

—U—

Ulcer, duodenal, histaminase in the treatment, by Gordon McHardy and Donovan Browne 472
Unsworth, H. Randolph—Psychiatric aspects of cerebral tumors 363
Ureterospasm, the use of deproteinated pancreatic extract in the treatment, by Henry W. E. Walther and Robert M. Willoughby 182
Urinary tract, female, diagnosis and treatment of some common ailments, by U. S. Hargrove 102
Uterus, the management of retrodisplacements of the, with special reference to the indications for special therapy, by Hilliard Eve Miller 15

—V—

Venezuela, impressions of, by Vera Morel 194
Vertigo, by E. Garland Walls 28
Vesicant chemical warfare agents, by J. D. Rives 493
Vitamin deficiency states in Louisiana, by Robert C. Lowe 407
Voorhies, Henry C.—(Joint author), see Dalton, Orien E. 22

—W—

Walls, E. Garland—Vertigo 28
Walther, Henry W. E.—The use of deproteinated pancreatic extract in the treatment of ureterospasm (Walther, Willoughby) 182
War wounds of the chest, by Harlon W. Harrison 315
Water supply and sewage disposal, emergency, by John H. O'Neill 73
Watters, T. A.—Experiences in selective service work (Watters, Thompson) 241
Weinstein, B. Bernard—Hypogastric sympathectomy with special reference to the surgical anatomy of the superior hypogastric plexus 534
Wharton, Emma H. B.—The defense of children 85
Whitehouse, William R.—Epidemiology of endemic typhus fever in the Southern United States 227
Williams, Donald B.—Successful suture of stab wound of heart 470
Willoughby, Robert M.—(Joint author), see Walther, Henry W. E. 182
Wirth, Willard R.—Anesthesia in heart disease 273

—X—

X-ray consultation, by T. I. St. Martin 211
